

Support Pennsylvania Women Work Recover | Rebuild | Revitalize

Fall 2020 Silent Auction Information

Pennsylvania Women Work is a nonprofit workforce development organization dedicated to transforming lives through empowerment, employment and economic independence. Our programs are designed to address the diverse needs of our clients and support their goals to achieve financial self-sufficiency.

COVID-19 has radically changed the way we live our daily lives. It has impacted our operations, but more critically, it's significantly impacted our clients and thousands of others who are out of work.

This year, we will not be able to gather to celebrate the 20th Anniversary of Circle of Hope. However, we will still host a robust online Silent Auction that will launch during a new virtual event, *Hope for a Brighter Tomorrow*. This event will take place Wednesday, Oct. 28, but the Silent Auction will extend beyond the event into the fall.

Proceeds from the Silent Auction will support our clients with critical programs and services that are needed to rebuild their lives.

Will you join us as a Silent Auction donor this year?
